This much-loved book collects more than one hundred songs, some well known, some less well known, gathered over the years by experienced Waldorf teacher Brien Masters. The songs are selected for different ages, from class 3 (age 8) to class 8 (age 14) and grouped according to festivals and seasons. They include rounds and four-part songs, as well as musical notation for recorders and other instruments. A Waldorf Song Book is a wonderful resource for Steiner-Waldorf class teachers or any teacher or parent looking to introduce music to their classroom or home.
