**Abubakar (Italian Edition)** Paolo Abbate

Abubakar è una piccola leonessa della savana in Tanzania, un cucciolo nato libero e con una gran voglia di conoscere ciò che la circonda. La sua curiosità però un giorno la porta ad allontanarsi troppo dal suo ambiente, ed è così che cade in trappola nelle mani dell'uomo. Per lei inizia una lunga avventura attraverso tante realtà diverse, culture e popoli che, visti con i suoi occhi, finiscono per assomigliarsi ed essere accumulati da un'insensatezza di fondo.

L'assurdo universo degli umani narrato con gli occhi di chi appartiene ad un mondo animale incontaminato. La meraviglia della natura, il cielo, le stelle e in parallelo una realtà corrotta dal denaro, dalla bramosia di potere, dall'idiozia umana. Una scrittura scorrevole che riesce, con estrema semplicità, a mettere a nudo la follia umana, cogliendone l'inadeguatezza di fronte alla bellezza di un mondo animale fatto d'istinto e di emozioni.
