Lies, deceit and murder ran rampant throughout the city of Atlanta. Real and his lady, Constance, were living in the lap of luxury, with fancy cars, expensive clothes and a million dollar home until someone close to them alerted the feds to their illegal activity. At the blink of an eye their perfect life was turned upside down. Just as Real was sorting things out on the home front, the head of Miami's most powerful Cartel gave him an ultimatum that would eventually force him back into the life he had sworn off forever. Knowing this lifestyle would surely put Constance in danger, he made plans to send her away until the score was settled but things spiraled out of control. Now Real and Constance are in a fight for survival where friends become enemies and murder is essential. Atlanta's underworld to Miami's most affluent community no stone was left unturned as Real fought to keep Constance safe while attempting to regain control of the lifestyle he once would kill for. From the city of Atlanta to the cell block of Georgia's most dangerous prison, life under the City Lights would never be the same.
