#### **William Oden:**

As a student exactly feel bored to help reading. If their teacher inquired them to go to the library or to make summary for some publication, they are complained. Just very little students that has reading's internal or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that reading through is not important, boring along with can't see colorful photos on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Cornell Notebook: Rowing - Crew can make you sense more interested to read.
