In *Dancing in Buenos Aires*, Layne Mosler takes us on a unforgettable trip with a lively step. With grace, humor, and a keen eye for characters and detail, Mosler brings to life the soul of Buenos Aires and the dance that beats in its heart—the tango. From her first tentative steps (in flip-flops) to the legendary dance floor at Sunderland—the world’s greatest tango club—Mosler comes to understand the soul of dance that is more than just movement, but a way of life. Sampling the city’s incredible food and finding herself as a writer along the way, Mosler gives us an excursion of self-discovery you don’t want to miss.
