La scelta del lupo: 1 (10Pagine) (Italian Edition)

Fabrizio Proietti

La scelta del lupo: 1 (10Pagine) (Italian Edition) Fabrizio Proietti

Il ragazzo è come ogni giorno di guardia nella torre del campanile sulla valle del Nera e tiene lo sguardo fisso in direzione del ponte. Un falco si posa a tre metri da lui, è un uccello bellissimo con le ali di uno scuro lucente, il piumaggio dorato. Improvvisamente, con un grido rauco e come per avvertirlo, il falco volge lo sguardo al vuoto, con un salto si tuffa oltre le mura del castello, plana verso la valle. Laggiù brilla qualcosa di insolito. Il ragazzo guarda attentamente, un soldato dell'esercito francese è fermo al centro del ponte e sta puntando il fucile verso il campanile nella sua direzione. Quando col dito preme sul grilletto la pallottola saetta verso la campana. Comincia così la fuga di Marchetto. Ferito, spaventato, per il ragazzo tutto sembra perduto quando incontra sulla sua strada, come in un sogno, il Lupo Eremita. Un racconto emozionante e commovente, per scoprire, tra le splendide valli del Nera, una vita diversa dove la natura segna il passo e dove ciò che si vede non è necessariamente quello che sembra. Il primo racconto della collana 10Pagine per Librosì Edizioni.
