You don't need to do all the "right" things as a parent. Both science and the Bible show us that the most important thing we can provide for our kids is a place of emotional safety. In other words, the *posture* from which we parent matters infinitely more than the techniques of parenting.

In *Safe House*, Dr. Straub draws from his extensive research and personal experience to help you:

- Foster healthy identity and social development in children of any age
- Win the war without getting overwhelmed in the daily battles
- Discipline in a way that builds relationship
- Understand how the culture is affecting your child and what you can do about it
- Cultivate responsible, self-regulating behavior in your kids
