The Lady and the Unicorn: A Loveswept Classic Romance Iris Johansen

#1 *New York Times* bestselling author Iris Johansen gives readers a scintillating story of captivity and freedom, love and longing.

Rafe Santine is under doctor's orders: He needs to stay put in his coastal California mansion for two months to recuperate from the pneumonia that nearly killed him. Despite a retinue of mistresses to keep the powerful tycoon occupied, Rafe struggles against boredom—until a stunning woman literally drops onto his estate. She has high demands of him, but Rafe has even greater demands of her. He knows instantly that he must possess every facet of the enigmatic Janna. But the only thing she'll give him is her body—and for the first time in his life, that is not enough for Rafe.

Janna Cannon is willing to risk it all to save the endangered animals of the wild animal reserve where she works as a game warden. With the land they depend on pulled out from under them, Janna must take a gambit to convince billionaire Santine to give the reserve the real estate they need to keep the animals free. And she'll need to sneak onto the man's vast, highly protected property to do it. Much to her surprise, Santine agrees to grant her the land—if Janna agrees to give him herself in exchange. And what begins as luxurious captivity soon turns into an emotional awakening she never expected.

Includes a special message from the editor, as well as excerpts from these Loveswept titles: *Taking Shots*, *Along Came Trouble*, and *Hell on Wheels*.
