Lucas Brokaw is an incredibly wealthy man. But though he has amassed one of the greatest fortunes in the world, he is without an heir. Looking death in the face, he decides to leave his money to whoever can prove to be his reincarnated self. He has set up a foundation to oversee his assets until someone steps forward as the reincarnation of Lucas Brokaw -- and can prove it. Hundreds of candidates emerge, each claiming to be the millionaire returned to collect his fortune. But all of them fail to provide significant knowledge of the life of Brokaw to back up their petition. Only one candidate is able to pass all of the tests. Now he must prove himself by traversing the final and most difficult obstacle: a chamber of secrets rife with deadly traps that can only be defused by intimate knowledge of Brokaw's codes. If there truly is such a thing as a human soul, the world is about to find out.
