A Healing Homiletic: Preaching and Disability Kathy Black

In *A Healing Homiletic: Preaching and Disability*, Kathy Black offers a unique and effective approach for preaching about disabilities. By going to the heart of the gospel and drawing on the healing narratives or miracle stories, Black shows how preaching affects the inclusion or exclusion of forty-three million persons with disabilities from our faith communities. *A Healing Homiletic* provides a new method of preaching about healing, based on Scripture, for understanding the needs of the disability community.
