Here are 88 authentically detailed illustrations of dozens of species of butterflies, shown in all the extraordinary beauty of their varied forms, patterns, and vibrant colors. Best of all, they have been transformed into a spectacular collection of peel-and-apply stickers.

The designs were selected from archives of late 19th-century chromolithographic plates notable for their fine detail and superb coloration. They are reproduced here in a rich variety of sizes and shapes ideal for many different uses — decorating packages, sprucing up notes and cards, and adding a distinctive touch to almost any surface.

A guide to the butterflies is included, making this delightful book an informal pictorial reference to these beautiful insects, as well as a dazzling collection of decorative stickers.
