Reflecting Cengage Learning's commitment to offering flexible teaching solutions and value for students and instructors, this new hybrid version features the instructional presentation found in the printed text while delivering all the end-of-chapter exercises online in OWLv2, the leading online learning system for chemistry. The result--a briefer printed text that engages learners online! Improve your grades and understanding of concepts with this value-packed Hybrid Edition of GENERAL CHEMISTRY, 10th edition. An access code to OWLv2 with MindTap Reader is included with the text, providing you with powerful online resources that include tutorials, simulations, randomized homework questions, videos, a complete interactive electronic version of the textbook, and more! The 10th edition continues to offer the signature clear explanations, macro to micro orientation, and enhanced problem-solving strategies that have made the book a best-seller. Featuring a new design and a significantly enhanced art program that convey the excitement of chemistry, this Hybrid Edition provides you with even more learning support through a new "Gaining Mastery Toolbox" feature in all examples, more micro-macro presentations, new two-tier questions, and a new end-of-chapter "Checklist for Review."
