Long Ago Book Twenty Paula Vaughan

When one thinks of romantic cross stitch designs, Paula Vaughn's name immediately comes to mind. Her designs are inspired by actual antique articles, in most cases. LONG AGO is a study of a windowed attic with a trunk overflowing with antique treasures. There are bonnets, a quilt, a photo, pitcher and bowl, books and a lamp. This lovely cross stitch pattern is suitable for stitching on any even weave or Aida cloth, and is even adaptable to needle point. The chart is colored to aid in reading and keeping track of one's place in the design. A little dazzle could be added with a few seed beads and blending or metallic filament.
