A unique color-by-number coloring book featuring 80 vibrant animal faces designed in the popular “low poly” 3-D geometric style.

Create dozens of beautiful, lifelike animal faces with this irresistible color-by-number book. Graphic designer and illustrator Hope Little uses a distinctive “low poly” graphic style to fashion clean, contemporary three-dimensional designs made up of hundreds of triangles—an approach to organic subjects that gives them a modern aesthetic that is also relaxing to color.

Each picture in *Trianimals* comes with a numbered color palate that can be used as a guide for consistently creating amazing finished pieces. All are printed on heavy paper stock to ensure that whatever medium you use—whether ink, marker, or paint—doesn’t bleed through. The pages are also perforated, making your artworks easy to remove and display. In addition, some of the pages are also perforated around the image so that it can be pressed out and made into a mask for parties, games, playtime, Halloween, birthdays, and more.

Relax and take your creativity to the next stage with this gorgeous color-by-number coloring book!
