Stoked! Bill Morris

A man hits bottom and goes for a walk on the beach where he meets a beautiful goddess. The goddess tells him there's only one way to save himself: learn to surf or die. A wonderful tale of spiritual renewal, self transformation, and a triumph over the darkness of addiction. Rich in California realism, Morris' novel thoughtfully and comically describes the surfing lifestyle delightfully peopled with New Age goddesses, angels, and spirit guides. A journey of self-discovery that ends with a primal understanding of spiritual fire.

"A true but comical depiction of the surfing lifestyle, Bill Morris has hit the lip with his book Stoked!" Skip Snead, Surfing Magazine
