The Present (Christmas Holiday Extravaganza) Toni Sheridan

What does a girl do with a Christmas present that's too good to be true? This year's Christmas is worse than ever. Candice Cane-Bryant (don't call her Candy Cane) is stressed by her job, exhausted in her role as surrogate parent to her three younger siblings, and angry with her carefree adult sister, Jane. And all of that has her feeling guilty for not appreciating God's gift of keeping her family together. When Jane brings home another new guy, one more weight is added to Candice's oversized burden. She's lonely and wants a man to love. Not just any man—she's in love with Dean Harlowe, Jane's boyfriend, and no matter what she does, her feelings for him won't go away. But this year, Jane has a present for her sister, and when Candice unwraps this one, Christmas will never be the same.
