The Truth About Guys Chad Eastham

Okay, it's a fact. God made guys and girls different in more ways than just the physical. But how different could we really be? After all, we are all made in His image, right? Well, yes, but . . . Let's just say that guys and girls view the world in such different ways, that it's a miracle we communicate at all. What's worse is girls this age often think they know what makes guys tick and . . . that couldn't be more wrong!

Chad Eastham tells it like it is . . . to girls . . . from a guy's perspective. His stage presentation transfers beautifully into this book, putting the facts in black and white for girls to see. You think that short skirt says to guys, "I'm a fashion billboard!" Think again. Chad tells girls how guys see such fashion statements as advertising something completely different than a hip dresser. Chad wrings out every ounce of experience from his colorful life and uses it to help teens make informed choices.
