Wings of Love Scotty Cade

Devastated after losing his partner of fifteen years to cancer, Dr. Bradford Mitchell tries to escape the emptiness and loss by leaving his life in Seattle behind. Traveling to the Alaskan mountains where he and Jeff often vacationed, Brad reconnects with Mac Cleary, the ruggedly handsome and very straight floatplane pilot who had flown them to Hyline Lake many times in the past. Brad and Mac form an unlikely friendship and buy an old log cabin together, and as he and Mac begin to bring the old cabin back to life, Mac watches Brad come back to life as well, stirring emotions in him he's never felt for a man before. When fear, confusion, and a near tragedy threaten to force the two men apart, they'll face some tough questions. Can Brad let go of Jeff and the guilt he feels about beginning to care for another man? And can Mac deal with his fears of being gay and accept the fact that he is in love with Brad? It will be a struggle for both men to keep their heads and hearts intact while exploring what life has to offer.
