Spirited Nature: Healing Adventures in Rural Ireland Simon Gordon Wheeler

A transformative journey of healing and growth, with Spirit providing the engine and Mother Nature the fuel. Simon left his comfortable middle-class life and moved to the Irish Republic when an old girlfriend of his, who lived there on a smallholding with ducks, hens and goats, became very ill. Through stories of healing, mediumship, dowsing and shamanism, Spirited Nature traces the author's development and interaction with many different forms of spiritual energy and how he learned to live with equal comfort in the material and spiritual worlds.
