**Franco (nueva edición): Caudillo de España (Spanish Edition) Paul Preston**

**La publicación de esta edición revisada y actualizada de la biografía de Franco de Paul Preston, a los cuarenta años de la muerte del dictador, es un acontecimiento, no en vano sigue siendo considerada unánimemente como la obra de referencia.**

Contra la visión de Franco como figura providencial, una biografía completísima, rigurosa y apasionante del hombre que rigió España durante tantos años, donde se muestra al militar ambicioso e implacable, al admirador de Hitler y Mussolini; al dirigente político cada vez más pagado de su propio papel, pero incapaz de comprender la complejidad de Estado y la economía modernas. Queda el hombre visceralmente conservador, tan cauto como ambicioso, hábil en el manejo de las personas y de los contrapesos del poder.

Un libro imprescindible para quien quiera comprender la historia reciente de España, así como a uno de los personajes centrales de la misma.

## **La crítica ha dicho...**

«Paul Preston ha escrito, y con gran diferencia, la mejor biografía del dictador Franco.»

L.M. Anson

«La biografía definitiva y apasionante del dictador español Francisco Franco.»

*Publishers Weekly*

«Preston nos presenta un retrato de Franco muy diferente al que generalmente conocemos.»

*Kirkus Review*
