Guide to Fossils (Firefly Pocket series) Firefly Books

A practical guide to identifying, understanding and hunting for fossils.

The **Firefly Guide to Fossils** is a practical, pocket-sized and beautifully illustrated field guide. Its introduction explains how fossils form and the history of ancient life. Fossil classification and distribution are described, providing essential background information for students and collectors.

Fossil hunting is described in detail with practical advice on everything from finding sites to displaying specimens. The main part of the book presents major groups of fossils, from trilobites to tree ferns in a wide international range, from the common and easy-to-find, to dinosaur bones that would crown any collection. The entries are illustrated with color images accompanied by clear descriptive text.

A quick reference identification key organizes the 400 specimens by the major fossil classification, making it easier to find detailed information for each one.

The inside or content is fantastic as the outside or maybe cover. Your reading sixth sense will directly direct you to pick up this book.

Fred Howell:

Reading a book to be new life style in this calendar year; every people loves to go through a book. When you go through a book you can get a lots of benefit. When you read ebooks, you can improve your knowledge, due to the fact book has a lot of information on it. The information that you will get depend on what types of book that you have read. If you need to get information about your research, you can read education books, but if you act like you want to entertain yourself read a fiction books, such us novel, comics, along with soon. The Guide to Fossils (Firefly Pocket series) provide you with a new experience in looking at a book.

Mark Authement:

As a pupil exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some publication, they are complained. Just tiny students that has reading's internal or real their pastime. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that looking at is not important, boring along with can't see colorful images on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Guide to Fossils (Firefly Pocket series) can make you experience more interested to read.
