Just Walk Across the Room: Simple Steps Pointing People to Faith Bill Hybels

In *Just Walk Across the Room*, Bill Hybels brings personal evangelism into the twenty-first century with a natural and empowering approach modeled after Jesus himself. When Christ 'walked' clear across the cosmos more than 2,000 years ago, he had no forced formulas and no memorized script; rather, he came armed only with an offer of redemption for people like us, many of whom were neck-deep in pain of their own making. This dynamic four-week experience is designed to equip and inspire your entire church to participate in that same pattern of grace-giving by taking simple walks across rooms---leaving your circles of comfort and extending hands of care, compassion, and inclusiveness to people who might need a touch of God's love today. This DVD is designed for use in conjunction with *Just Walk Across the Room: The Four-Week Campaign Experience* Expanding on the principles set forth in Hybels' book of the same name, *Just Walk Across the Room* consists of three integrated components: Sermons, an implementation guide, and church promotional materials provided on CD-ROM to address the church as a whole Small group DVD and a participant's guide to enable people to work through the material in small, connected circles of community The book *Just Walk Across the Room* to allow participants to think through the concepts individually
