All The World's A Stage

Celia St. Lys has risen above the secrets of her past and transformed herself into the most beautiful and gifted actress on the London stage. Her glamorous career is the love of her life, and she deftly eludes the clutches of her many suitors. But even she can't deny the lure of one roguish theatre patron. In her game of feigned seduction, she may have finally met her match. . .

Except In The Bedroom

In order to claim his inheritance, Lord Simon Ascot must find a proper bride. And there's certainly nothing proper about the fiery actress who's turning the head of every well-born man in London. As Simon and Celia resist both decorum and lust, they'll find there's pleasure to be had in wanting what they cannot have. . .
