Finding Daddy

Louise Plummer

Finding Daddy Louise Plummer

MIRA KENT IS nearing her 16th birthday and wants to know more about a father she doesn't remember. Her mother tells her she has all his good qualities, but isn't specific. With nothing but a photo of her father, Mira wants more. She writes him imaginary notes:

Daddy, darling, where are you? I need you in my life. Aren't you curious about me? About school? I have a boyfriend named Dylan. Mom says you both made the decision during the divorce that you wouldn't be part of my life. It was easier, she says. It hasn't been easier for me. Look for me, dearest Daddy, and I'll look for you. I'll look until I find you.

From the Hardcover edition.

From reader reviews:

Gary Rose:

Why don't make it to be your habit? Right now, try to ready your time to do the important behave, like looking for your favorite reserve and reading a publication. Beside you can solve your short lived problem; you can add your knowledge by the guide entitled Finding Daddy. Try to make the book Finding Daddy as your close friend. It means that it can to be your friend when you feel alone and beside associated with course make you smarter than previously. Yeah, it is very fortunated for you. The book makes you far more confidence because you can know every thing by the book. So , let me make new experience in addition to knowledge with this book.

Jerrod Spicher:

As people who live in the modest era should be revise about what going on or data even knowledge to make all of them keep up with the era that is always change and move ahead. Some of you maybe may update themselves by reading books. It is a good choice in your case but the problems coming to you actually is you don't know what one you should start with. This Finding Daddy is our recommendation so you keep up with the world. Why, because this book serves what you want and need in this era.

Sanjuana Day:

Reading a e-book can be one of a lot of task that everyone in the world adores. Do you like reading book therefore. There are a lot of reasons why people like it. First reading a reserve will give you a lot of new details. When you read a publication you will get new information due to the fact book is one of several ways to share the information or maybe their idea. Second, reading a book will make you actually more imaginative. When you reading a book especially hype book the author will bring you to definitely imagine the story how the people do it anything. Third, it is possible to share your knowledge to others. When you read this Finding Daddy, you can tells your family, friends and soon about yours guide. Your knowledge can inspire the others, make them reading a publication.

Elvis Harris:

A lot of people always spent their own free time to vacation or go to the outside with them family members or their friend. Were you aware? Many a lot of people spent that they free time just watching TV, or maybe playing video games all day long. If you want to try to find a new activity that's look different you can read some sort of book. It is really fun to suit your needs. If you enjoy the book that you read you can spent the whole day to reading a book. The book Finding Daddy it is very good to read. There are a lot of people who recommended this book. These people were enjoying reading this book. When you did not have enough space bringing this book you can buy the e-book. You can m0ore easily to read this book from your smart phone. The price is not too expensive but this book has high quality.
