O descobrimento do Brasil por Pedro Alvares Cabral (Portuguese Edition) Antonio Artur Baldaque da Silva

Meu presado sir Henry. Se podesse haver logar a alguma duvida acerca da importancia de colligir, e metter no corpo da nossa litteratura, as reliquias dispersas das primeiras relaões dos descobrimentos geographicos, a duvida acharia condigna resposta na inquieta curiosidade com que os mais esclarecidos anglo-saxões, habitantes da America, voltam a attenção para as particularidades, ainda de menos monta, que respeitam às primeiras narraões historicas da sua terra adoptiva. Um vasto campo de colonisação, inferior somente à America, se está desenvolvendo com rapidez no sul; e podemos presumir naturalmente que se ha de tornar questão de não pequeno interesse para os que tiverem escolhido a Australia como terra natal de seus filhos, o{2} conhecer quaes foram os primeiros descobridores de um territorio tão vasto nas suas dimensões, tão importante nas suas condiões essenciaes, e cujo verdadeiro modo de existir se conservou todavia em segredo por milhares de annos. No anno de 1859 tive a honra de publicar para a sociedade Hakluyt uma obra intitulada Primeiras viagens à terra Austral, comprehendendo uma collecção de documentos e de extractos dos primeiros mappas manuscriptos, tendentes a esclarecer a historia dos descobrimentos sobre as costas daquella vasta ilha, desde o começo do seculo XVI atç ao tempo do capitão Cook. Na minha introducção àquella obra coube-me fazer vêr que, na primeira parte do seculo XVI, havia indicaões, nos mappas, de ter sido já descoberta a Australia, mas sem documentos escriptos para o confirmar; emquanto que, no seculo XVII ha documentos auctorisados para demonstrarem que as suas costas foram visitadas pelos hollandezes em grande numero de viagens, posto que não se encontrem documentos que as descrevessem immediatamente. As primeiras viagens dos hollandezes foram feitas em 1606, e ficou para todos manifesto, como ponto historico fôra de questão, que, n'aquelle anno, o primeiro descobrimento authenticico da Australia foi feito pelos hollandezes
