These international mime artists, trained in Paris by Marcel Marceau, have taught mime workshops around the world. This video and workbook program presents a comprehensive series of mime exercises for student practice and review. Each technique is explained step-by-step in the illustrated book and shown clearly and slowly on the video. Some techniques include: Body Positioning: feet and hand isolations, forward, backward, side inclinations and rotation: Communicating with the Body: the chest, feet, head, hands, pelvis, waist: The Living Character: breath, transfer of weight, rhythm, the stop, the seed, the robot. Also includes the techniques of creating an illusion, object identification and gestural coloration and decoloration. An excellent resource for learning mime technique.
