W.L. Mackenzie King: A Bibliography and Research Guide

W.L. Mackenzie King: A Bibliography and Research Guide

This comprehensive bibliography on William Lyon Mackenzie King, the most prominent Canadian politician in the first half of the twentieth century, will be an invaluable reference tool for researchers in archives and libraries, as well as for political scientists, historians, journalists, and book collectors.

In this volume Henderson provides comprehensive lists of books, articles, and other material written by King or about him and his era, and includes a series of appendices relating to studies on King and miscellaneous material pertaining to his life and career. In addition, Henderson provides a list of unsigned articles by King that appeared in newspapers and periodicals, and of sound recordings and motion picture footage relating to him. Finally, he identifies all forewords and prefaces written by King, plays written about him, and books and poems dedicated to him.
