It was like we were two children - two innocent children just... playing

Mrs C wants a baby not a Christmas tree. B wants a real hairdressers scissors and a wife. D wants a snow globe and a big head of dirty auld curls. All of them want their own place in the world. And if they cant find it, theyll create one of their own.

The play follows B and D in the care home where they are residents, and where Mrs C is a carer, on their special - very fecking special - journey towards happiness.

*B for Baby* is a tender, sharp-witted new play set in a residential care home for people with severe learning disabilities. Treating this taboo subject with humanity and humour, the pieces acuity and generously compassionate portraits result in a moving, if at times uncomfortable, drama. Poignantly exploring forbidden topics, *B for Baby* invites the reader or audience to rediscover the power and joy of make-believe.

The play was first presented by the Abbey Theatre on the Peacock Stage, September 2010.
