Get Off My Honor!: The Assault on the Boy Scouts of America Hans Zeiger

Hans Zeiger may represent the hope for the future. He is not the typical postmodern young twenty something. You don't see his type portrayed on The Real World on MTV. But he isn't alone. He is part of a movement that is alive and well-and thriving. Nineteen-year-old Hans is a Boy Scout. More specifically, he is an Eagle Scout. And he is tired of the attack on the Boy Scouts by those who would like to see it assimilated into the politically correct culture that dominates many of our nation's institutions. *Get Off My Honor!* analyzes a half-century of events leading up to the present struggle for the soul of the Boy Scouts. Hans shows how those who wish to destroy the scouts are attacking it for what it represents at its core-Christian values. With biting commentary, Zeiger paints a picture in which the Boy Scouts have been spat upon and cursed by its critics. Groups as diverse as the United Way, ecumenical church denominations, unions, educational and medical organizations, judges, members of the Clinton administration, and left-wing activists have labeled the Boy Scouts as bigots and homophobes. Hans Zeiger is ready to let the world know the truth about scouting and the truth behind those who wish to destroy it.
