**RDNP - Racconti Da Non Pubblicare (Italian Edition)** Annalisa Coppolaro, Ivan Nannini

Racconti da non pubblicare nasce "casualmente" ed è rappresentato dal racconto a quattro mani che porta questo titolo e che oscilla tra erotismo e noir. Un episodio drammatico in mezzo alla notte, in cui si confrontano il "personaggio maschile" e il "personaggio femminile" che osservano e vivono questa lunga notte da due prospettive diverse. Accanto a questo, quattro racconti lunghi di Annalisa Coppolaro e Ivan Nannini che spaziano su temi diversi: il desiderio, l'amore, la solitudine, l'amicizia, l'erotismo, la violenza, la mancanza, la lucida follia. Storie nate da corde interiori intime e autentiche, narrate scavando dentro se stessi con un processo non sempre facile e spesso molto insolito. Un libro che nasce dall'incontro tra due personalità, due stili, due storie e due formazioni diversissime che però insieme, in un intenso gioco di contrasti, si completano dando luogo a un'opera inaspettatamente originale e viva.
