Together, the two get money throughout the tri-state, while friends and family want to be upgraded without putting in work. At first, the couple makes it rain in the hood, taking care of those they love, but a hustler always knows when to draw the line.

Suddenly, Pearla proclaims the ATM closed, and a quiet storm begins to brew. When the beggars can't beg anymore and the borrowers can't borrow anymore, friends become enemies. Words and bullets are exchanged, leaving The House that Hustle Built under attack and at risk of collapse.
