The Woman of Porto Pim Antonio Tabucchi

By Antonio Tabucchi, one of the most renowned voices in European literature and the foremost Italian writer of his generation, *The Woman of Porto Pim* is made up of enchanting, hallucinatory fragments that take place on the Azores Islands off the coast of Portugal. Told by a visiting Italian writer unearthing legends, relics and histories of the inhabitants, the tales shed light on a local restaurant proprietress's impossible love with an Azorean fisherman during WWII, a dazzling whaling expedition of eras past, shipwrecks both metaphorical and real, and a playful look at humankind from the perspective of a whale.
