Leading Man (Vintage Contemporaries) Benjamin Svetkey

In the tradition of David Nicholls and Nick Hornby comes a hilarious, bittersweet, heartwarming debut novel about love of all kinds: first, unrequited, delusional, obsessive, and, ultimately, the kind that lasts.

At 26, Maxwell Lerner thinks he has his whole life figured out. He's got the girl--his high-school sweetheart Samantha. He's got the job--low-level reporter for a prestigious national magazine. He even lives with aforementioned girl in a walk-up studio apartment in the West Village. Life is sweet. Until his aspiring actress girlfriend leaves him for his childhood hero, Johnny Mars, who, as action adventurer "Jack Montana," features in some of Max's favorite movies. Getting dumped for one of his idols sets Max off on a dual mission: to get inside the glamorous world Samantha left him for, and to win her back. But when Samantha's perfect life takes an unexpected turn, Max gets more of an education, in life and in love, than he bargained for.
