Sweet St. Louis: AN Urban Love Story Omar Tyree

New York Times bestselling author Omar Tyree's seductive, insightful novel exploring the age-old question: how do people fall in love—and stay in love?

When Anthony "Ant" Poole, a young auto mechanic with a creative approach to the mating game, tries out his latest line on Sharron Francis, he has no idea of the impact it will have. For Sharron, an ordinary girl in search of companionship and happiness, Ant's words are filled with mystery and allure. Would she really be getting an actual piece of him, or just a piece period? The more Sharron contemplates Ant's line, the more it confounds her. When she decides the only way for her to discover its meaning is to discover Ant for herself, both her life and his are turned upside down.
