The Door of the Beloved: Poems of Hafiz

The Door of the Beloved: Poems of Hafiz

The great fourteenth-century Persian poet Hafiz is noted for his mystical love poems. The poetry of Hafiz has reached new heights of popularity in the West, yet his poems have been translated into European languages for over two hundred years. Hafiz is not a poet to be captured in a single translation. This modernised edition of McCarthy's elegant prose translation gives us a direct Hafiz, full of clear imagery and personal poetry.
