Social media marketing used to be divided into two factions. Social networking sites where you could connect with others, become perceived as an expert in your niche, build your own brand, create a great customized profile, add 'friends', join or create 'Groups', comment, message, add images, videos, and other media, etc., and link building sites - where you could do your content publishing - put your blog posts, articles, photos, videos, and people sometimes had the option of voting your content up or down. Read to know more.
