Jeff Reynolds

A Comprehensive Workbook for Bass Trombone and Trombone with F-attachment Jeff Reynolds

Jeff Reynolds has written a masterful work based on his lifetime in music, primarily as the Bass Trombonist of the Los Angeles Philharmonic from 1969 to 2006. Included is a foreword from former student and Bass Trombone virtuoso, Ben van Dijk. Mr. Reynolds has written down for posterity his ideas on perfecting technique on the Bass Trombone or Tenor Trombone with F-attachment, practicing, audition list materials and strategies, performing, ÓsmartÒ playing, the G-flat valve, solo repertoire and recommended study books. He writes about who were his mentors and how they inspired him throughout his playing career. Jeff includes 16 Compline Chants to perfect lyrical playing and phasing and writes about his passion for this ancient form of liturgical music. This ÓworkbookÒ is more than the sum of its parts. It describes an attitude about work, discipline, passion, career and love of music. Mr. ReynoldÓs book is a must for all serious Bass Trombonists.
