**Son of Man: The Mystical Path to Christ** Andrew Harvey

*A revolutionary vision of Jesus*

Designed as both a practical guide and a call to action, the *Son of Man* audio edition brings to life a revolutionary vision of the historical Jesus that is intended to transform the sacred imagination of the world. Harvey builds a cathedral of words and invites you inside, where you will discover the spiritual riches that have been left unclaimed for 2,000 years. While sharing new research into the original gospel as Jesus taught it, Andrew Harvey examines centuries of distortions, bringing into new focus the most treasured fruits of the entire Christian mystical tradition. What emerges from this myth-cleansing process and restoration in no way diminishes Jesus, but instead presents him as a mystical, political, radical revolutionary of infinite importance to the human race. Divided into four challenging sections, Son of Man covers:

- The historical Jesus and his radical path
- The four stages of the mystical path to Christhood
- Christ the sacred androgyne as the embodiment of the divine feminine
- Practices and meditations for the direct path to Christ
