The Book of Magic: Astound and Amaze Your Friends! David Ovason

From vanishing a coin into thin air to Houdini's disappearing elephant—the secrets of the world's greatest illusions are revealed

Learn clever tricks and daring deceptions with this indispensable guide for the home magician. Beginning with instruction in simple sleights-of-hand, which may be mastered and performed by any amateur magician for the delight of their friends, this book also includes directions in the performance of more sophisticated illusions, and exposes the methods behind such famous feats as levitation or sawing a person in half. This fascinating look into the art of conjuring provides practical hints, tips, and inspiration for any aspiring illusionist, and is an essential addition to the library of all magicians.
