Bourbon Street (5 Book Series) Kathy Love

From Book 1: Is That A Treble Clef In Your Pocket-- Or Are You Just Glad To See Me?

Maggie Gallagher spends her nights with lots of men. Of course, they're all dead composers, but why nitpick? Her love life is just like the musical compositions she researches--undiscovered. It's time for Maggie to let loose and go wild. In a dive bar on Bourbon Street, Maggie makes a real find in the house band's keyboard player. He's hot. Sexy. Flirtatious. Soulful. And she could swear he's playing an unknown piece she's been researching, which is impossible, unless he's dead. . .

Centuries before he was a badass vampire with a rock-star wardrobe and Big Easy charm, Ren was Renaldo D'Antoni, a composer on the verge of great success until he was betrayed. No one could ever know that, but tonight, the shy strawberry blonde with the big eyes and obviously borrowed outfit actually seemed to recognize his long-lost composition. Now, she wants to know about the composition, and Ren wants to know her. . .intimately. But what starts as attraction--and distraction--just might lead to the biggest discovery of their lives. . .
