Beck Weathers

Deixado para morrer (Portuguese Edition) Beck Weathers

Em 1996, Beck Weathers e seu grupo de alpinistas empenhavam-se na dura jornada de vencer o Everest quando uma tempestade inesperada atingiu a montanha, desmantelando o grupo e os deixando à deriva em meio à nevasca e ao vento congelantes, que cegavam e impediam qualquer movimento em direção à salvação.

Quando foi possível uma primeira tentativa de resgate, Beck estava à beira da morte e foi abandonado na neve enquanto outros, com mais chance de sobreviver, foram salvos. Doze horas mais tarde, aconteceu o inexplicável: Beck surgiu descendo a montanha na direção do acampamento, cego, sem luvas, o gelo invadindo até mesmo o interior do macacão térmico.

Assim como Beck, dezenas de pessoas foram surpreendidas naquele 10 de maio, até então o dia mais mortal em 75 anos desde a primeira investida humana no Everest. Oito morreram. Deixado para morrer é um dos mais impactantes relatos dessa tragédia. Beck revisita a decisão de escalar uma das montanhas mais perigosas do mundo – à época ele era um alpinista amador de 49 anos – e narra toda a sua incrível jornada desde a tempestade que deveria tê-lo matado até sua surpreendente volta à vida. Tudo isso com a intensidade única de quem ganhou uma inesperada e extraordinária segunda chance.

Em sua narrativa Beck fala de várias questões práticas de alpinismo, preparação física e sobrevivência, especialmente no que se refere à empreitada no Everest, prato cheio também para os leitores que se interessam por esportes extremos e aventura.

“Uma história de sobrevivência extraordinária.” **USA Today**

“Acima de tudo, esse impressionante relato é uma representação das dificuldades de um homem que luta para refazer sua vida.” **Publishers Weekly**
