It's where everyone remembers your name—and your mistakes. But the quaint Catskills town of Marsden has a way of inspiring the unlikeliest reunions, flipping the script on the best laid plans, and opening even the most stubborn hearts...

Jordan Leigh's always had a reputation for being bad news. So she figured it was only a matter of time before she got into serious trouble. But serving house arrest in her hometown of Marsden is truly cruel and unusual punishment. Plus she's under police officer Will Nash's up-close-and-all-too-personal supervision...which could make things worse—or more fun.

To make amends, Jordan throws herself into making nice with her neighbors, taking in stray animals, and helping teenage girls get back on track. But what she really wants is to get on the right track with Will. To do that, she'll have to show him she's grown up. And if that means making him break his own rules and face down his own fears, she's up for the challenge ...
