Gonzalo de Berceo

Milagros de Nuestra Señora (Spanish Edition) Gonzalo de Berceo

Los mejores libros jamás escritos.

**«Esto signo es coñocido,
si diz verdat o non, será bien entendido.»**

Gonzalo de Berceo recogió en *Milagros de Nuestra Señora* una de las tradiciones más vigorosas y populares del siglo XIII: las leyendas marianas. Este monje de Silos escogió veintiocho historias sobre la Virgen, las puso en verso y las acompañó de un prólogo de contenido simbólico. Gracias a su sencillez y a su frescura, estos relatos piadosos, nacidos en su día con el propósito de conmovir a los fieles y despertar su devoción, mantienen todavía su ingenuo encanto y perviven con inusitada fuerza.

El prestigioso investigador y docente Vicente Beltrán ha cuidado la presente edición, acompañándola de notas para una mejor comprensión del texto. La introducción y las actividades finales, además, dotan al volumen de las herramientas precisas para el estudio de una de las obrascapitales de nuestra tradición literaria.
