**The Amazon: Land without History (Library of Latin America)** Euclides da Cunha

In the eight pieces that make up *Land Without History*, first published in Portuguese in 1909, Euclides da Cunha offers a rare look into twentieth century Amazonia, and the consolidation of South American nation states.

Mixing scientific jargon and poetic language, the essays in *Land Without History* provide breathtaking descriptions of the Amazonian rivers and the ever-changing nature that surrounds them.

Brilliantly translated by Ronald Sousa, *Land Without History* offers a view of the ever changing ecology of the Amazon, and a compelling testimony to the Brazilian colonial enterprise, and its imperialist tendencies with regard to neighboring nation-states.
