## **Drops of God: New World** Tadashi Agi

Shizuku Kanzaki is the son of a recently deceased, world renowned wine critic named Yutaka Kanzaki. In order to take ownership of his father's legacy, an extensive wine collection featuring some of the most rare labels of the last 30 years, he must find 13 wines, known as the "Twelve Apostles" and the heaven sent "Drops of God" that his father described in his will. But despite being an only child, Shizuku is not alone in this unique wine hunt. He has a competitor. Issei Tomine, a renowned young wine critic, was recently adopted into the Kanzaki family and is also vying for this most rare of prizes.

In the New World arc, the focus shifts from the European wines found in most Tokyo wine bars to the wine cellars of Napa Valley and the wine makers of Australia. The next apostle is destined to change the perspective of wine drinkers everywhere as it brings hope to the future of wine. Shizuku takes off for a trip across the Pacific to Chile before heading out to Oz in search of a sensational Shiraz. While Issei and his new drinking partner find the naunaces of Syrah in Northern California.
