In January, Lyn Gitchel writes on some of Jesus' miracles recorded in the Gospels in a new and fresh way. As she looks at each one so we are encouraged to learn something of the way our miracle-working God answers prayer and works miracles for us and others. We see how He cannot be 'put in a box', but deals with each one of us in an individual way - His way and His timing and how we need to trust Him in this.

In February, Gill Beard examines some of Christ's 'I tell you the truth' sayings where He emphasises important truths and teachings. As we look at these truths that were so important to Him so we are challenged to live them out in our daily lives, and in a way of more power, trust and obedience.
