## **Legami di Ferro (Italian Edition)** Beatrice Ruscio

Questo libro nasce da un viaggio, da una missione del cuore, che ci ha portati dall'altra parte del mondo a confrontarci con popoli tanto lontani da noi eppure, così incredibilmente vicini. Parla di legami di ferro, sporchi e inquinanti come quel minerale che dal Brasile arriva fino a Taranto, a ricoprire e contaminare ogni cosa ma, anche, dei legami ben più solidi e inattaccabili che si sono creati tra le persone. Legami nati dalla consapevolezza di vivere lo stesso dramma, dalla stessa voglia di rivalsa nei confronti di un sistema non più sostenibile e dalla stessa sete di giustizia. Legami veri, che niente e nessuno potrà spezzare. E' un libro che parte da lontano, dalle miniere del Carajás in Brasile, per arrivare fino al quartiere Tamburi di Taranto e che speriamo possa far

conoscere, riflettere e toccare i cuori di tante persone. Perché il diritto alla salute, il diritto a vivere in una città sana, il diritto alla vita, non devono avere bandiere, né confini.
