**Textbook of Performing Arts Medicine** Robert Thayer Sataloff, Alice G., M.D. Brandfonbrener, Richard J. Lederman

Written by a multidisciplinary team of leaders in the field of arts medicine--many of whom are directors of clinics for performing artists--this volume is the first comprehensive text and reference on the evaluation, treatment, and prevention of performance-related physical ailments in instrumentalists, professional voice users, and dancers. Coverage includes musculoskeletal, dental, embouchure, and temporomandibular joint disorders of musicians; evaluation and surgical treatment of the hand; care of professional voice users; neurological and ophthalmic problems of performing artists; hearing loss in musicians; foot and ankle problems in dancers; and reproductive disorders in female dancers. Full consideration is also given to the psychiatric problems of performing artists and the psychological development of young prodigies. An additional chapter by an attorney discusses crucial legal aspects of the medical treatment of performing artists.
