Shirley describes her family, and their early struggles, the trials and tribulations she went through during the Civil Rights movement, her early singing career, and her calling to become a pastor and concert performer.

With a combination of music, ministry, and the message in all of her performances, all who hear her know that she listens to God every step of the way.

Shirley introduces each chapter of *The Lady, the Melody, and the Word* with just that: the melody (lyrics to her inspiring songs) and the word (Scriptures that have inspired her), and along the way she will introduce you to her own inspiring story.
