Brain Porn: The Best of Daily Maverick Daily Maverick

For the past five years, Daily Maverick has been making sense of the madness that is South African reality. Every day, its team of respected journalists dissects politics and society with a healthy dose of scepticism and a natural loathing of spin-doctoring. Brain Porn offers the best of their astute, irreverent writing. Expect well-argued opinions and fresh analyses of the issues and individuals that make headlines: the Guptas, the President, the Public Protector, the Blade Runner, the Commander-in-Chief and the Ghost of Nkandla. A new order of sociopolitical stimulant, Brain Porn will challenge accepted beliefs and dare you to think differently. With contributions from Ranjeni Munusamy, Richard Poplak, Rebecca Davis, Stephen Grootes, Jay Naidoo, Marianne Thamm, Simon Allison, Greg Nicolson, J Brooks Spector, Greg Marinovich and others.
